## Lampi's Band Gets National Publicity

The Pahokee High School Band, Bandmaster Robert O. Lampi, director, is featured in a two-page spread in the 1959 edition of First Chair of America, a national yearbook honoring outstanding high school and college bands, orchestras and choruses throughout the nation.

This is the third consecutive year that the FHS Band has been selected as one of the country's musical organizations worthy of presentation in First Chair of America. This year's edition of the annual is the 20th anniversary number comprising two volumes, just off the press and being distributed nationally this month.

Copies are being presented by the band to the Pahokee City Library and the High School Library.

Bandmaster Lampi's Pahokee High School Band, acclaimed by Pahokee-Canal Point residents as the "best little band in the land", has won all-superior ratings at State Band Contests six times during the past seven years. In this year's State Band Contests held last month it was judged the best high school band in its class in the entire State, being the only Class CC band in both the northern and southern divisions to be judged superior in all three phases of the contest, concert, sight reading and marching by unanimous decision of the judges.

## Turnpike Travel Still Peak Level

FT. LAUDERDALE — Thomas B. Manuel, chairman of the Florida State Turnpike Authority, reported recently that turnpike travel is continuing at peak levels.

More and more local people are using the turnpike and out-of-state travelers are helping to keep turnpike travel at a high level.

Manuel points out that April gross revenue exceeded that of every month except two during all of 1957 and 1958, and showed a 10 percent increase over the same month a year ago.

Each month since last September shows a gain over the same month the previous year and all indications point to an excellent summer tourist season which would continue to increase turnpike travel through the remainder of this year.

Since the turnpike opened 8,063,323 vehicles have traveled 391,980,897 miles on the Sunshine Parkway Manuel said.

## Former Residents Visitors In Glades

Mrs. B. W. Wood and her daughter, Mrs. Charles Baker, former Pahokee residents now living in Jacksonville, who were vacationing at Riviera Beach this week, were visitors in Pahokee and Canal Point last week. Mrs. Wood visited Mrs. George Ramey and other friends while Mrs. Baker visited her husband's parents, Mr. and Mrs. William Baker, at Canal Point and other relatives in Pahokee. They also were dinner guests of Mr. and Mrs. Charles Barfield at Canal Point.

## Clewiston Gets New Net Coach

Bill Clendenon of Fort Lauderdale Friday was named head basketball coach for Clewiston High School.

A graduate of Florida State University last March, Clendenon served his basketball internship under Coach Charlie Ward of Pompano Beach, whose Tornadoes lost the state championship in the finals.

While in high school Clendenon starred in basketball and football. In addition to his new duties, he will assist Coaches Carl Ferrara and Bo Manuel with the football team, as well as teaching science and math.

## Canal Point Lions Hear 4-H Winner

Janette Harrington, who won a scholarship as first place winner in the district to the State 4-H Short Course at Florida State University, was guest speaker at the dinner meeting of the Canal Point Lions Club Monday evening. Introduced by her father, A. R. Harrington, past president of the club, the speaker described some of the subjects in the short course, including home management, dressing, club leadership and the like.

At the club's business session Floyd Erickson reported the street lights fund which the club is collecting is still short of the goal of \$150, the amount necessary to cover the cost of street lighting in the community during the coming year. In addition, there is \$150 to be raised to cover a deficit in the fund from previous years, he said.

The present cost of the lights is about 10 percent higher than it was when the club acting as agent for the community, first made arrangements to enter contract with the Florida Power and Light Company to furnish street lights for Canal Point.

## Hendry Road Work To Start June 25

Work is scheduled to begin by June 25 on a \$407,451 rebuilding project on a portion of State Road 80 in Hendry County, Road Board Member Albert L. Rogero said today.

The project will extend from La Belle east 16.9 miles to Goodnoe. Rogero said construction should be completed within 270 days or by next March.

State Road 80 is an important cross-state highway carrying traffic between Fort Myers via La Belle to Clewiston where connections are made with U. S. 27 and other highways leading to the Atlantic coast.

Work will include clearing, grubbing, grading, laying of a linerock base, paving, construction of two concrete bridges, drainage structures, grading, and mulching.

The contractor will be required to maintain traffic during course of construction.

The contract was executed formally June 9 with Capeletti Brothers, Inc., of Hialeah.

Mr. and Mrs. Thomas Bailey and family left the first of the week to spend the summer in Illinois.

## Rec Programs At Pahokee, Canal Pt.

The Summer Recreational and Music Programs at Pahokee and Canal Point Schools got under way Monday with a good enrollment of children desiring to participate.

Forty-two music students registered on Monday, the opening day, for the 12th annual Summer Music Program that will be conducted in the new Band building on the high school campus for the next six weeks under the supervision of Bandmaster Robert O. Lampi. Of these 20 are beginners and 22 are regular band members. The enrollment is expected to increase sharply with the start of classes for regular band members later in the week. Students may enroll in this summer program any time during the six-week period as they return from vacation trips, Mr. Lampi said.

The Summer Recreational Program at Pahokee attracted 90 children on registration day, Monday. The locale for this program in the mornings is at the City Park on Bacon Point Road where Coach W. D. Howard is in charge of the swimming lessons in the municipal pool and Coach Carney Wilder supervises outdoor games such as softball, volleyball, tennis, badminton and the like. Activities in the afternoons take place in the new gymnasium on the high school campus. Apparatus for several new indoor games of interest to children of all ages have been set up in the gym and, because there is no interference to these games by the showers which are so frequent this time of year, the afternoon recreational periods are becoming increasingly popular with the youngsters. ## Phillip Maxson Is Acting Post Master

Phillip Maxson has been appointed by the U. S. Postoffice Department as acting postmaster of the Canal Point Postoffice to fill the vacancy left by the resignation of Osceola Upthegrove, who had served as postmaster for 23 years at Canal Point before resigning recently.

Mr. Maxson, a Canal Point jeweler, assumed his duties of office on June 13 and will serve as acting postmaster until arrangements are made for competitive civil service examinations and the Postoffice Department selects one among the applicants for the job as postmaster for the Canal Point office.

### THOMAS TO KING FERRY

Mr. and Mrs. Edmund Thomas and daughter, Susan, left last week-end for Philadelphia, Pa., where they spent two days at the opening of a new produce market in that city following which they went to King Ferry, N. Y., where Mr. Thomas will be sales manager of the Cayuga Producers Cooperative, Inc. through the summer. They plan to return the first of October to Canal Point where Mr. Thomas is employed as manager of the Lake Okechobee Farmer Cooperative.

Mr. and Mrs. J. S. Chastain left Monday for several weeks' visit at their home in Pine Park, Georgia.

## \$100 For Fireworks From Pahokee Lions

Leonard C. Bailey of West Palm Beach, field representative of the federal Social Security organization, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by Leonard Dobrow, program chairman, he explained the latest changes in social security laws and answered questions from the floor. At the business session, with President Paul Tillery presiding, it was reported the club is contributing \$100 to the Fourth of July fireworks fund. Of this amount \$90 was raised through the sale of scrap metal and \$10 through a Dutch auction.

## Fireworks Shoot Fourth Of July

Pahokee will again this year have a Fourth of July Fireworks Program, according to an announcement by Mrs. Helen Hillier, president of the Chamber of Commerce, following a special meeting of the chamber's executive board in the Civic Building Monday night.

The fireworks program, a public recreation project, sponsored jointly by the Chamber of Commerce and the City of Pahokee, has in the past annually attracted thousands of visitors to the harbor area where it originates on the breakwater with the lake side of the levee serving as a natural open-air theatre for the parked cars.

This year because of a lack of funds in the chamber's treasury the presentation of the fireworks program was in doubt until Monday night when pledges of contributions to the fireworks fund from civic groups, business firms and individuals enabled the chamber to proceed with its original plans, Mrs. Hillier said.

Arrangements for the program are under the direction of the chamber's special events committee, including Wiley Tillis, chairman, Curtis Chase, Elmo Jones, Patsy Batchelor, and Paul Collier. The committee will be assisted by Milton Carpenter, who originated the Pahokee fireworks program on the waterfront several years ago and will serve as technical advisor.

## Former Pastor On European Trip

Rev. and Mrs. S. B. Jordan of Hialeah left Tuesday on a trip to Europe which will carry them to Scotland, Ireland and England. The Jordans are former residents of Canal Point where he was pastor of the Canal Point Baptist Church. At present he is an assistant pastor at Riverside Baptist church in Miami in charge of establishing missions and new churches. The Jordans will return to their home in about 30 days.

### CHICKEN SUPPER

The Church of God Prophecy will have a fish and chicken supper at the Community Building in Canal Point tonight. Serving will begin at 6:30 through 9:30. The public is cordially invited to attend. Adults \$1.25, and Children 50c.

Mr. and Mrs. Fred McKee and son, Freddie, are spending the summer in Virginia.

## Bolton Installing All New Fixtures

Workmen are busy this week installing brand new fixtures in the Bolton Rexall Drug Store in Pahokee. According to John Bolton, proprietor, the work will be concluded over the week end and ready for regular service on Monday morning.

Today and Saturday some of the many patrons, will in all probability, be a little inconvenienced by the change over to all modern and up-to-date fixtures and equipment. However, this little matter of inconvenience will be forgotten when they walk into the store the first of the week and see how beautiful the change has made the store and how easy and convenient it will be to shop in the newly modernized store.

An engineer from the Rexall concern was in Pahokee the first of the week installing the new fixtures. Mr. Bolton and his clerks have been busy since then rearranging the stock on the handsome new shelves. New indirect lighting has been installed over the new shelving. New lights over the soda fountain and over the shopping aisles of the stores have also been installed.

Mr. Bolton said: "I know the folks will bear with us while we make this necessary change. It is going to be mighty nice when completed and we thank the folks for their patience."

## Kissimmee Rodeo Scheduled July 4

KISSIMMEE—Many hands made light work as members of the Silver Spurs Club of Osceola County staged their pre-rodeo "cleanup day" on Sunday, June 14.

The rodeo will run three days, concluding on Sunday, July 5, and opening under lights on Friday, July 3.

Big Boss Tom Gannarelli, part-time rancher and coach of the St. Cloud high school football team, called for members to participate in handling such chores as rebuilding the stock pens and chutes, cleaning the grounds of trash, and preparing the concession stands to handle food requirements of some fifteen thousand rodeo fans.

The 1959 show—like the 23 others which have preceded it—is not only home-owned and home-operated, but is staffed largely by club members who serve without compensation other than the pleasure of being part of a worthwhile community project.

The Silver Spurs club owns its own permanent covered grandstands, much of its own rodeo stock, and is a "big business" operation presenting two international championship shows annually which will compare with rodeos anywhere in the country.

The club has been largely responsible for development of the Kissimmee Valley Livestock Show with its public-owned steel-and-concrete pavilion. Charity and civic purposes are also served by the club—last year they staged a show in Tampa for the benefit of a school for exceptional children.

### Tax Refund Forms On Gas Available

Any one interested in the form to file for Claim for Refund of Federal Tax on Gasoline used on a Farm, may obtain this form by calling at the County Agricultural Agent's Office, Glades Office Building at Belle Glade, according to John H. Causey, Ass't County Agricultural Agent.

Claims may be filed only by the owner, tenant or operator of a farm. The gasoline that is purchased between July 1, 1958 and June 26, 1959 which was used on the farm for farming purposes may be included. This gasoline must have been used on the farm for the cultivation of the soil or raising or harvesting any agricultural or horticultural commodity. Claims will not include gasoline used on the highway in processing, packaging, freezing or canning operations or for personal or non-farming purposes.

Where a vehicle is used both on the farm for farming purposes and for non-farming purposes an allocation of the gasoline must be made in arriving at the total gallons of gasoline used on the farm for which refund is claimed.

The amount that may be claimed is the Federal tax on gasoline at the rate of .03c per gallon. This claim will be allowed only if filed on or before September 30, 1959.

This procedure is different than the application filed for State Tax Refund on Gasoline. For further information any one interested may call at the County Agricultural Agent's Office.

### BABY SHOWER

Announcement has been made of the marriage of Miss LaVon Alicia Pierson, daughter of Mr. and Mrs. Byron G. Pierson of St. Petersburg, to James Gordon Schuetzler, former Pahokee resident, son of Dr. Gordon H. Schuetzler of Okeechobee and Mrs. Alice Schuetzler of Miami. The wedding took place at the Bethel Evangelical Lutheran Church, St. Petersburg, June 14.

### Canners To Have New Organization

W. Allen Markham, Markham Brothers & Company, Okeechobee, President of the new Florida Vegetable Canners Association, outlined the purpose of the organization following a meeting in the Board Room of the Florida Fruit and Vegetable Association in Orlando yesterday.

Markham explained the purpose of the new organization is "to promote and advance the vegetable canning industry of Florida."

"This will be accomplished through coordinated efforts of all members, by research and other means immediately available for this purpose," Markham said.

New officers in addition to Markham, were listed as follows: First Vice-President, Gordon Schmidt, Stinefeldt, Thompson, Inc., Miami; Second Vice-President, Samuel Sugarman, Sugar Rose Canning Company, Plant City; and Secretary Treasurer, J. S. Peters, Orlando, Manager, Industry Relations, Florida Fruit and Vegetable Association, Orlando.

"There has long been a need for such an organization and we expect to accomplish several important tasks for the general benefit of the industry."

"Canners are invited to contact any of our officers for full and further information," said Markham.

### Circle In Meeting At Echols Home

The home of Mrs. G. T. Echols was the scene of the June meeting of the Hannah Scoggin-Annie Jones Circle of the Canal Point Baptist WMS. The meeting was June 11th at 8 p. m.

The program consisted of the completion of the book study Holy Spirit In Missions, which was taught by Mrs. E. B. Gamble, President of the Pahokee Baptist WMS. Mrs. Gamble taught the first half of the book at the May meeting, held at the home of Mrs. A. T. Holt. Mrs. Charles Maxson opened the meeting with prayer and also gave the Devotional.

Mrs. Laith Nall, Circle Chairman, presided over the business session. During the meeting Mrs. Gamble was presented with a love gift from the Circle, showing their appreciation for her wonderful effort and loving manner in which she presented the study of the mission book.

Delicious refreshments were served by Mrs. Echols to 11 present. The next meeting of the Hannah Scoggin-Annie Jones Circle will be at the home of Mrs. R. J. Maxson July 16 at 8 p. m.

The general meeting of the Canal Point Baptist WMS will be at the Church June 22 at 8 p. m. All members are urged to attend.

### NEW WRIM MANAGER

David Karlborn, formerly of Mobile, Ala., recently-assumed management of radio station WRIM in Pahokee, replacing Al Robinson who has returned to Anderson, S. C. Mr. Karlborn will be joined by his wife and small son in Pahokee where they will make their home.

## SRD Side Line Cost High On 2,173 Miles

If you have ever, in a rash burst of enthusiasm, decided to paint your house and then balked when you realized the magnitude of the job, consider the problem faced by the State Road Department.

Last year the maintenance forces of the Department painted the outside edges of more than 2,173 miles of Florida highway, almost enough to reach to San Francisco—and used enough paint to cover more than 5,500 average sized five room houses.

Painting of the highway edges was done as a safety factor for drivers by making it easier for them to keep from running off the highway or help prevent head-on collisions. The original painting proved so effective, the Road Board recently decided to extend the edge-striping to an additional 1,500 miles of highway.

R. C. Baunerman, Jr., assistant state highway engineer in charge of maintenance, said the Department used a total of 138,000 gallons of paint during the year.

Of this amount, 11,000 gallons was used to paint the metal work on Florida bridges.

In addition to the paint, 750,000 pounds of tiny glass beads were used and placed on the highway paint immediately after it was applied to make it reflect drivers' lights at night.

More than half of the paint was white, the other yellow. The white paint was used for the edge striping, and on the normal centerline in skip fashion, a line being painted for 15 feet with a 25-foot space skipped before the next 15-foot line was painted.

Baunerman said this not only outlines the lanes but the skipping prevents monotony to the driver and, of course, saves paint.

Yellow paint is used as a barrier line. The maintenance engineer explained that these are where "no passing" zones are established—such as school zones, railroad crossings, and cross walks.

To apply paint to the state highways, the Department maintains five large crews for centerlining, and about 10 smaller units to let lettering upon the highways, and make short barrier markings.

And theirs is not like a week-end house-painting project. They stay on the job every work day full time the year 'round.

### Awards Given For Worm Work

SEBRING—Certificates of commendation have been presented to Orpheus Krause and Charles L. Smith, staff members of the State-Federal Screwworm Eradication Program for their contributions to the program.

The citations, accompanied by cash awards of \$300 each, were presented by Dr. D. L. Williams, Federal project leader, in a short ceremony at the program's headquarters at Sebring's Air Terminal.

The screwworm eradication program, only one of its kind in the world, got into full-scale operation July 10, 1958. Success of the program is evidenced by the fact that Florida and the entire Southeast have been free of any screwworm cases for more than two months.

### PIERSON - SCHUETTLE

Mrs. Clare S. Hall, wife of the pastor of the Pahokee First Methodist Church, will be complimented Monday night, June 22, at a party and baby shower at the home of Mrs. Duncan Padgett. Assisting Mrs. Edward A. Jensen, Mrs. Robert J. Schroder and Mrs. Milton Salvatore.

Eagle Scout David Watkins, son of Mr. and Mrs. D. B. Watkins of Pahokee, is serving as counselor at the Gulf Stream Council's Boy Scout Camp Tanah-Ketta near Jupiter through the summer camp sessions.

Mr. and Mrs. J. B. Crosby had as guests the past week her nephew, Wayne Davis of Oklahoma, and her brother and sister-in-law, Mr. and Mrs. Mock Davis and sons of Plant City.

## Personal Items

Mr. and Mrs. Lloyd Hundley and sons, John and Wayne, left Monday on a six-week vacation trip during which they will visit relatives in Wichita, Kans., and Denver, Colo., and tour scenic attractions in the Rocky Mountains, including the Yellowstone National Park.

Mr. and Mrs. N. R. Norman are leaving this weekend for a visit with relatives in Tennessee and Kentucky. They plan to spend a week at Daytona Beach enroute home.

Mr. and Mrs. Frank Friend had as guests the past week her sister, Mrs. H. C. White of Savannah, Ga., and niece, Mrs. Billy Mitts and children of Enterprise, Ga., who attended the wedding of Mrs. Friend's son, Will A. Nason, and Miss Patricia Ann Maxson at the Canal Point Methodist Church Saturday.

Dr. and Mrs. William S. Gist and

family are spending a month with his parents, Mr. and Mrs. H. B. Gist, at Sparta, Tenn., and her mother, Mrs. David Johnson, at Summerville, Ga. The children, Elizabeth and Bill, plan to remain for extended visits with their grandparents, returning home for the opening of school.

Mr. and Mrs. H. F. Nobles and son, Fred, of Dublin, Ga., accompanied by his father, R. B. Nobles of Tampa, visited his brother-in-law and sister, Mr. and Mrs. Jack Vandegrift, in Pahokee the past week.

Mrs. Nannie Mallory left Tuesday to spend the summer with her sisters in Richmond, Va.

Sharon Zimmerman is spending a vacation with her grandparents, Mr. and Mrs. G. A. Hay, in Piqua, Ohio.

Herman Austin, principal of Pahokee Elementary School, and Mrs. Austin plan to leave this weekend on a summer tour of European countries.

## Pick your savings target and shoot straight for it!

**A** home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 19 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 ... a \$37.50 Bond will be worth \$67.34 ... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 ... in 9 years and 8 months, you'll have \$2,850.70 ... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

### Christian Science Group Of Canal Point

"Is the Universe, Including Man, Evolved by Atomic Force?"  
This is the subject of the Lesson-Sermon to be read at Christian Science services Sunday. The Golden Text is from Proverbs (3:19): "The Lord by wisdom hath founded the earth; by understanding hath he established the heavens."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this passage will be read (131:10): "The central fact of the Bible is the superiority of spiritual over physical power."

Included in the Bible passages to be read is this verse from Ecclesiastes (3:14): "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it: and God doeth it, that men should fear before him."

### Dangerous Liquid Under New Law

TALLAHASSEE — State Insurance Commissioner J. Edwin Larson calls attention in a special bulletin to a new law now in effect, covering the transportation of inflammable liquids.

No delivery of any Class I or II inflammable liquids shall be made in portable containers of 5 gallons capacity or less unless the container is of sound metal construction, has a tight closure with screwed or spring cover and is fitted with a spout or so designed that the contents can be poured without danger of spilling.

Handling gasoline in unsafe containers has resulted in many serious accidents in which people have been badly burned the Commissioner points out and he has called on fire chiefs throughout the state to enforce the law dealing with the transportation or handling of inflammable liquids.

Mr. and Mrs. Edgar Wilder and daughter left the past week to spend the summer at Hendersonville, N. C., where they will be the house guests of her parents, Dr. and Mrs. Glen Bennett.

### Methodist Circles In June Meetings

Three of the four circles of the Pahokee Methodist Woman's Society of Christian Service that held their June meetings at homes of members Monday voted to suspend meetings through July and August.

The Mabel Simonson Circle, meeting at the home of the chairman, Mrs. Arch Blakey, was the only group that voted to continue to hold regular meetings through the summer and members of the Margery Lair Circle will be invited to attend. The election of new officers was completed. Mrs. Robert J. Schroder was elected program and Christian social relations chairman; Mrs. L. W. Armstrong, sec-

retary; Mrs. John Padgett, treasurer; Mrs. J. R. York, spiritual life; Mrs. I. W. Weeks, hospitality; Mrs. R. W. Sanders, sunshine; Mrs. Frank Rozelle, membership; Mrs. H. M. McIntosh, flowers, and Mrs. G. W. Byrd, representative to the WSCS committee for aid to the bereaved. A program relating to "The Lord's Prayer" was presented by Mrs. Schroder.

Mrs. Gertrude Watson was named sunshine chairman for the Margery Lair Circle at the meeting at the home of the chairman, Mrs. H. J. Anderson. Mrs. M. P. Holman presented the devotional program.

Mrs. L. L. Shirley, chairman, presided at the meeting of the Gertrude Shirley Circle at the home of Mrs. Blakey Dunson. Mrs. F. S. Parish was named chairman of the circle's fund-raising project, the sale of greeting cards. Mrs. Shirley named a special committee to have charge of the placing of flowers in the church during June. Mrs. Leon Spooner was in charge of the devotions.

A program on "Missions in Africa" was presented by Mrs. Mazella Brower at the meeting of the Miriam Circle at the home of Mrs. Ruth V. Meredith. Named on a special committee in charge of

church flowers for July were Mrs. Irene Hurt; Mrs. Mazella Brower; Mrs. Catherine Spencer; Mrs. Sarah Vann; Mrs. Ida Larrimore; Mrs. Hazel Hall; Mrs. Elsie Sims and Mrs. Ruth Elbel. The devotionals were presented by Mrs. Nannie Mallory.

Mr. and Mrs. Robert Busbee (Nora Ellene Leopard) of Pahokee announce the birth of a son, Ronnie Joe, at the Everglades Memorial Hospital, June 9.

Mr. and Mrs. John Waring of Madison, Fla., announce the birth of a son, John Hood, June 5. Mr. and Mrs. B. S. Waring, former Pahokee residents now living in Madison, are the paternal grandparents.

Mr. and Mrs. C. L. Shirley, Jr., of Pahokee announce the birth of a son, Nathan, at the Everglades Memorial Hospital, June 4. Mr. and Mrs. C. L. Shirley and Mr. and Mrs. Paul Watson, all of Pahokee, are the grandparents.

Make your dream house come true! It's easy  
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,948.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

*If you want your interest at current income, ask your bank about Series H Bonds, which pay dividends monthly by Treasury check.*

ters, according to Coach Howard.

At Canal Point, where activities are centered at the school, there was an unusually high registration of 60 children on the first day of the recreational program, Monday. Included in this group were 25 first and second graders, according to Mrs. Charlotte Walston, who, together with Coach James Threlkeld, is directing the program. Following outdoor games in the morning arts and crafts classes are held from 11 a. m. to 12 noon and educational pictures are shown in the school auditorium every afternoon at 4 p. m. This program has need of cars for transporting children to the Pahokee City Park for swimming lessons and parents who have cars that can be used for this purpose are asked to contact Mrs. Walston or Mr. Threlkeld.

All three of these six-week programs are being sponsored jointly by the State Department of Education and the County Board of Public Instruction.

## Dorothy Ezell Weds R. L. McDaniels

Announcement has been made of the marriage of Miss Dorothy Ezell, daughter of Mrs. Ida Dotson of Pahokee, to Roma Lee McDaniels, son of Mr. and Mrs. R. L. McDaniels, also of Pahokee. The double ring ceremony took place in the parsonage of the Canal Point Baptist Church Friday afternoon, June 5, with the Rev. Charles D. Stewart, pastor, officiating.

The bride wore a white lace, street-length dress with off-the-shoulder neckline and a corsage of pink hibiscus.

Miss Delilah Strayer, maid of honor and the bride's only attendant, wore a passey print taffeta dress and a corsage of white geraniums.

Woodrow, Strayer served as Mr. McDaniels' best man.

The bride's mother was hostess at the reception following the ceremony at the home of Mr. and Mrs. J. H. Strayer in Canal Point.

Following a brief wedding trip to the East Coast the bridegroom returned to Camp Lejeune, N. C., where he is stationed by the U. S. Marine Corps. The bride will remain in Pahokee with her mother until arrangements are completed for joining her husband in North Carolina.

## Miss Patsy Maxson Weds Will Nason

Miss Patricia Ann Maxson and Will A. Nason were united in marriage 5:30 p. m., Saturday, June 13, at the Canal Point Methodist Church. Officiating at the double ring ceremony was the Rev. Robert A. Shelley, pastor, assisted by the Rev. Walter Oldford of West Palm Beach.

The bride is the daughter of Mr. and Mrs. Earl Maxson of Canal Point. Mr. Nason is the son of Mrs. Frank Friend of Pahokee.

Solemn vows were exchanged by the couple as they stood before a decorative arch in front of the altar formed by palms and pink gladioli and carnations, and lighted by pink tapers in branched candelabra.

Nuptial music was played by Mrs. Reynolds Montford of West Palm Beach, organist, who accompanied Mrs. Pope Sears as she sang "O, Promise Me," and Mrs. William T. Gist, who sang "Serenade" and "The Lord's Prayer."

Escorted to the altar by her father, the bride wore a gown of embroidered pink silk organza with fitted bodice and sweetheart neckline, trimmed with handmade medallions and pink satin cummerbund. The bouffant skirt was of waist length. Her nose-length veil of pink illusion was held in place by a circlet of pearls and pink iridescent sequins. She carried a crescent of pink orchids.

Mrs. A. L. Stephens of Clewiston, aunt of the bride, as the matron of honor wore a gown of pink organza styled with a cerise satin cummerbund and matching headpiece and shoes. She carried a crescent of carnations in varying hues of pink.

Mrs. Philip Maxson of Canal Point, also an aunt of the bride, was bride's matron. Her gown was of the same color and style as that of the matron of honor, as well as the headpiece and flowers, which were identical. The gowns of the bride and her attendants were designed and made by the bride's mother.

Richard Nason of Pahokee served as his brother's best man. Dr. F. H. Potete, Jr., of Pahokee and Bill Cochran of West Palm Beach, brothers-in-law of the bridegroom, were ushers. Michael Maxson, brother of the bride, and Ricky Parker served as junior ushers and lighted the candles.

Mrs. Maxson chose for her daughter's wedding a hyacinth-blue ace gown with chiffon trim, matching accessories and a white orchid corsage. Mrs. Friend, mother of the bridegroom, wore a blue lace gown with matching accessories and a corsage of pink carnations.

At the reception at the home of the bride's parents the bride's table, overlaid with a white imported cutwork linen cloth over pink satin, was decorated with pink carnations and baby's breath in silver bowls and lighted by pink tapers in silver candelabra. Miss Lou Lawler and Miss Barbara Wedgworth of Palm Beach presided at the bride's table. Mrs. J. P. Parker was at the guest book. Mrs. Arnold Barad and Mrs. Charles Sears served at the refreshments table in the guest room and Mrs. Pope Sears and Mrs. O. H. Sheppard, at the table on the lawn. Others assisting were Mrs. Donald B. Kepp, Mrs. F. W. Cross, Mrs. J. R. Faulk, Mrs. James Miller, Mrs. W. K. Buchanan and Mrs. C. L. Stuart.

For the wedding trip to Nassau the bride changed to a silk dress or royal blue and white with a royal blue silk faille jacket, matching accessories and white-orchid corsage. Following their honeymoon Mr. and Mrs. Nason will make their home in West Palm Beach.

## DONALD GRADUATED

Mrs. John T. Pickett, accompanied by her daughter, Miss Bette Pickett of Delray Beach, attended commencement exercises at Florida State University, Tallahassee, in which her son, Donald Pickett, received a bachelor of science degree from FSU and a commission as second lieutenant in the U. S. Army. Lt. Pickett is scheduled to report to Fort Knox in Kentucky for active military service in July.

Mr. and Mrs. Edward Carver and family are spending a vacation with relatives in Colorado and Texas.

## Florida Debt Is 15th In Nation

GAINESVILLE — Florida debt, as an economic load was fifteenth in size among the states in 1957 according to a study based on U. S. Bureau of the Census reports and released this month by the University of Florida's Bureau of Economic and Business Research.

State and local debt in Florida amounting to \$1,269 million, represented a per capita of \$299.04 in contrast to the United States average per capita of \$312.54, the study showed. The larger part of Florida debt was in the form of revenue certificates or nonguaranteed debt, while the smaller part was full faith and credit debt payable from property and other taxes.

Dr. Wylie Kilpatrick, University of Florida research professor and auditor of the study, cautions against a misuse of per capita figures. He declares that "per capita amounts are useful in measuring taxes and other finances in relation to population without a test of economic ability."

To measure economic loads, tested by ability, Dr. Kilpatrick expressed the public revenue in each state for each \$1,000 of personal income of residents, and then divided this amount by the per capita personal income. By this measure the load ratio of 6.25 percent in Florida was only slightly over the 6.21 percent load in the middle state of the nation.

Per capita property taxes in 1957, both local and state, were \$56.58 in Florida and \$77.61 in the middle state.

Florida's rank was approximately average among the states for combined state and local government revenue, in relation to population and personal income of residents for 1957.

Mrs. Doris Lane, Pahokee High School home economics teacher, has enrolled for six weeks of summer school at Florida State University.

## SORORITY SOCIAL

The Beta Omicron Chapter and the newly organized exemplar chapter, Xi Beta Tau, of the Beta Sigma Phi Sorority, held a joint social meeting and barbecue dinner at the home of Mr. and Mrs. Ray Hatton. Mrs. Gene Waits and Mrs. Ray Hatton, assisted by members of their social committees, were in charge of arrangements for the barbecue.

Mrs. Tommie Lee Dubose, Mrs. Cleo Douthit, Miss Jane Plummer and Mrs. Pat Bosworth have returned from a vacation trip by plane to Nassau.

## BAPTISTS IN MEETING

Mrs. E. B. Gamble, president of the Pahokee Baptist Woman's Missionary Society, led the study of the final four chapters of the mission book, "The Holy Spirit of Missions," at the June Meeting of the Grace Jernigan Circle at the home of Mrs. John Hatton. A program on "Thailand" was presented by Mrs. Mary Hammond, Mrs. W. M. DuBose, Mrs. Wiley Tillis, Mrs. Lila Myers, Mrs. H. J. Graham and Miss Jane Plummer. Mrs. Carolyn Thompson, chairman, presided at the business session.
